How to Pay Business Taxes Online

Federal (IRS) and Minnesota payments for partnerships, S corporations, C corporations, and other business entities

Before you pay – please read

- **Making the payment is your responsibility.** Our office does not make tax payments for you.
- **An extension does not extend the time to pay.** For calendar-year businesses, payments for the 2026 tax year are due **March 15, 2027** for partnerships and S corporations and **April 15, 2027** for C corporations. Late payments are charged penalties and interest.
- **Business payments use different systems than personal payments.** Pay from the business bank account, using the business's EIN – not your own Social Security number.
- **Keep your confirmation number** and send us a copy through your TaxDome portal.

Federal payments (IRS)

Option	Best for	What to know
EFTPS eftps.gov 800-555-4477	All business types, including **S corporations**. Our recommended option.	Free. You must enroll first – the PIN is **mailed** to the business address in 5–7 business days, so enroll well before your due date. Schedule payments by **8 p.m. Eastern the day before** the due date.
IRS Direct Pay (business) irs.gov/payments	Partnerships (Form 1065) and C corporations (Form 1120); also payroll Forms 941 and 940.	Free, from the business bank account. Covers balance due, estimated tax, and extension payments for 1065 and 1120. **Form 1120-S (S corporation) payments are not listed – use EFTPS.**
IRS Business Tax Account irs.gov/businessaccount	Sole proprietors, S corporations, C corporations, and (since April 2026) partnerships.	View the business's balance, make payments, and see payment history. An authorized person signs in with ID.me.

Choosing the payment type: pick the business's form (1065, 1120-S, 1120), tax year **2026**, and the reason: **Extension** (paid with Form 7004 by the original due date), **Balance due** (paid with the return), or **Estimated tax** (quarterly). Most businesses must make federal tax deposits electronically.

Minnesota payments (Department of Revenue)

Common Minnesota business payments: the **minimum fee**, **composite income tax**, and **nonresident withholding** (partnerships and S corporations), and the **corporation franchise tax** (C corporations).

Option	What to know
e-Services (business login) revenue.state.mn.us/make-payment	Pay from the business bank account at no charge. Log in to the business's e-Services account, choose the tax type and period, and keep the confirmation number. If the business does not have an e-Services login, sign up on the Revenue website first.
Credit or debit card	Through the Department of Revenue's card payment system (U.S. Bank). The bank charges a fee: 1.25% for debit cards and 2.15% for credit cards.
ACH credit	You set up the payment through your own bank. Your bank may charge a fee.
Check or money order	Must include a voucher printed from Revenue's Payment Voucher System. **Businesses that paid more than $10,000 of a business tax in the previous fiscal year must pay electronically** and can be penalized for paying by check.

Quick checklist

- Use the **business's EIN** and the **business bank account**.
- Pay by the **original due date**, even if the return is on extension.
- New to EFTPS? **Enroll now** – the PIN arrives by mail.
- Select tax year **2026** and the correct form and payment type.
- Save the confirmation number and upload a copy to your TaxDome portal.
